Welcome Maighan and Sarah!

Maighan and Sarah are final year Occupational Therapy students who are working in our school for the rest of the term. They are working on creating a tool for educators to use to assist all learners with sensory regulation and movement. They are also going to create an activity book and a sensory space for learners to use outside the R-3 classroom. This project will be driven by their knowledge and understanding in these areas whilst supported by what the children want. They have been surveying and talking with our learners; observing educators and talking with them; and getting a feel for our site. It is so lovely to have them here and we look forward to seeing what they come up with!

SAPSASA Hub Cricket Report

On the 13th of February Banjo and Griffen went to hub cricket.

We got up early and left to play at Sevehill our dad drove us. We arrived at Sevenhill to meet our friend who had to fill in for Balaklava too.

We got destroyed by Clare. 4-173 all out for 36. Banjo took a diving good catch to get the opposition **OUT!**

We got flogged but had a good game because we had heaps of fun.

We had a break and drove straight to Watervale for our second game.

The game of Clare 2 vs Burra/ Riverton had not ended yet so we watched some of their game.

At Watervale we played Burra/Riverton. Banjo made 20 runs one 6 and three 4's. Griff took 2 wickets and made 8 runs. We lost by 20 runs and it was really hot and tiring.

We celebrated two Balaklava players' birthdays by eating chocolate cupcakes

Overall we had a fun day even though we lost both times.

Roving Reporters Banjo and Griffen.
