

TOUCH-A-TRUCK

9am - 12.30pm | Wednesday 22 April
Morphettville Racecourse

In partnership with Morphettville Racecourse

Invitation – free school holiday event

I write to invite your Outside of School Hours Care site to Adelaide's biggest free school holiday event.

***Touch-a-Truck* will be held at Morphettville Racecourse from 9am to 12.30pm on Wednesday, 22 April.**

Free parking will be available on site for groups who wish to come in a minivan, bus, or multiple cars.

Children of all ages can push buttons, flick switches, sit in cabs, and have fun finding out how trucks of all shapes and sizes work.

They will be able to get up close and personal with more than 50 top trucks, including tippers, sweepers, backhoes, ambulances, vintage cars and emergency vehicles.

Free activities include bouncy castles, hunting for "dinosaur bones", and lots more.

Children can dress up as their favourite trucker, including a fireman, construction worker, or ambulance officer.

Refreshments will be available for purchase. Groups can bring a picnic rug and relax on the grass.

Touch-a-Truck is being delivered in partnership with the City of Marion and Morphettville Racecourse.

To find out more, and book your bus or minivan parking space for *Touch-a-Truck*, please contact events officer Cassandra Douglas on 7420 6465 or cassandra.douglas@marion.sa.gov.au

I hope to see you there.

Yours sincerely,

KRIS HANNA

Mayor, City of Marion
