

# ENCOUNTERING MISS EMILY- Term 2 Week 10

Greeting everyone,

Last week of term... it is almost like I can hear you all taking a big sigh, pouring a cup of coffee and relaxing as you put your feet up.

Please take care of yourselves over the holiday break. Listen to your body. If it tells you that you need to rest please do so. Enjoy the sun when it shines and soak up the valuable vitamin D and all it's positivity. If it's cold, wet and drizzling, cuddle up with your blanket and read a good book to escape into another world.

I listened to my body last night. I was feeling extremely tired so I caught an early night and snuck off to bed. Only to hear my husband say "Something is wrong with this picture? Mum's missing." I smiled to myself as I snuggled into my quilt, feeling content, knowing that I was loved and missed.

If you are looking for some great ideas of fun things to do during the holiday's I found this link to **Kiddo**, "The kiddo ultimate list of things to do with the kids in Adelaide school holidays." <https://www.kiddomag.com.au>

Some adventures you might choose are, going to the Zoo's, Adelaide or Monarto. Spending time walking around Cleland Wildlife Park while feeding the animals. There are many nature walks through our National Parks across the state for soaking up the beauty all around us. Play grounds like St. Kilda. visiting the Art Gallery or the SA Museum. Spend a day in Hahndorf at the Farm Barn. For the lovers of Lego, you might like to enjoy Bricks 4 Kidz. For their nearest site go to [www.bricks4kiddz.com.au](http://www.bricks4kiddz.com.au). Bounce, Latitude, Haigh's Chocolate Factory the list goes on. There are so many options to choose from the possibilities of making wonderful memories are endless. Get out and enjoy the world.

Happy school holiday's, stay safe and have fun, Emily.
