

ENCOUNTERING MISS EMILY- Term 3 Week 8

Hello everyone, and a special hello to all the dads out there. I hope you had an enjoyable Father's Day.

Spring is upon us! The warmth of the sun is enticing. Asking us to venture out and explore. My garden is full of bright rainbow colours as my tulips put on quite a show. And as I drive around our district, I see signs of new life emerging. Beautiful white and pink blossoms everywhere, yellow canola crops amongst the sea of green paddocks that will hopefully become a harvest of blessings to feed this wonderful country we call home.

Mother nature is ready and waiting for us to get out of the house and enjoy what she has on offer. It's time to push the **reset button**. Spend some time embracing what is on offer for free. Find yourself.....less doing and more being.

Be patience. Self-care is a lifelong relationship.

Cheerio, Emily.
