

# ENCOUNTERING MISS EMILY- Term 4 Week 8

Hello everyone,

We are almost there with only a few formalities to go. As the year come to an end it is always a good time to reflect on all the fun things we have done. This is made easier by the wonderful DVD Miss Barns puts together for us to enjoy and share all the adventures we have been on in 2020. I like seeing the changes in our student's growth, especially our leaving students. Banjo, Griffen, Layla and Ripley you have all grown into fine young leaders and I wish you all the very best as you move to Clare High School. I'm sure they all have great futures ahead of them, and enough resilience to tackle anything that comes their way.

I wish everyone a safe and happy holiday. I pray that we can spend it with our precious loved ones. If this year if it has taught us anything, it has taught us not to take anything for granted. So, this Christmas remember to be kind to others. Share in the special moments with family and friends. Spread the good cheer & love to others who are doing it tough. Be the light that shines bright for someone else. This will fill your cup full of beautiful memories to hold dear for years to come.

I look forward to seeing you at concert next week and next year when we return.

Cheerio, Emily.
