

# ENCOUNTERING MISS EMILY- Term 1 Week 10

Greetings everyone,

With Easter just around the corner I thought it would be nice to share this fun and quick Easter craft with you. This is one I have done many times over the years with children.

I like to take a packet of Arrowroot biscuits as they resemble the shape of an egg. I ice and then decorate them. If you have more time up your sleeve, feel free to bake your own biscuits, sharing in the joy of cooking with your kids. These also make a lovely gift when packaged up for family and friends.

Last Sunday when I went to Church, I was handed this affirmation card for Easter by the steward for Palm Sunday. It is a small, simple gift but the wording on the card resonated with me, and I hope it does the same for you.

I wish you all a happy and sae Easter filled with Hope, Peace and Love and I will look forward to seeing you next term.

Emily
