

# ENCOUNTERING MISS EMILY- Term 2 Week 10

Greetings everyone!

Congratulations on another successful term of learning. I feel very blessed to be able to share in the learning journey and experience the joy of others successes. I myself had a success story of my own last week. A panel got together and reviewed my role as a Pastoral Care Worker within our site. It was a positive experience reflecting on surveys, and how I can promote my role more effectively in the future. Thank you for your support of my role continuing here at Brinkworth.

Last week I met with Lifeline Connect Clare councillor, Lorna Woodward. You might remember receiving a flyer in the last newsletter. This free service is a wonderful addition to the Clare region. It caters for people 12 years old and beyond. They are looking for volunteers to assist them in supporting our community. Please refer to the attached flyer. Lifeline Connect offers training to equip you with the skills required to help others. If you are passionate about your community and want to help support others, this might be the role for you.

I hope you have a safe and fun filled holiday and find the joy in everything you do. Keep making wonderful memories. I look forward to seeing you next term.

With warm blessings,

Emily
